

First things first. Fill out the FAFSA.

Going to college?

Fill out the FAFSA — the Free Application for Federal Student Aid. It's the first step toward getting the student financial aid available to you.

Go to **StartHereGetThere.org** to learn how.

And after you complete the FAFSA, you'll learn what federal, state and college-sponsored financial aid programs you're eligible for — and your journey to college will be off to a great start!

STARTHERE. GETTHERE.
