

If You Don't Finish the FAFSA Today...

If you have started to complete the FAFSA online but are unable to finish it – because you don't have all of the information you need, for example – you can save it and finish later.

Just follow these steps:

1. Click **Save** at the bottom of the last page completed.
2. You'll see a message at the top of the page indicating your application is saved. It will be saved for 45 days.
3. To access your saved application, go to www.FAFSA.gov.
4. Click **Login** and sign in by entering the student **FSA ID** (username and password) created when you started the FAFSA, or by entering student's information.
5. Be sure you are accessing the **2020-2021 FAFSA**.
6. Follow the instructions.

Remember to sign your FAFSA!

After you have finished entering your information, you and your parents must sign the FAFSA in one of two ways:

- Sign electronically using both FSA IDs. You must have an FSA ID and your parent must have an FSA ID.
- Print a signature page, sign and mail it to the address shown.
